Introduction

This is a free ebook. You may give it away at your web site, offer it to your list, include it as a free bonus, include it with a package deal, offer it to other web sites, put it on a disk, give it to a friend ... distribute it any way you want.

**This e-book is freely distributed by Cosmopolitan University & Research Institute,
School of Psychology.**

Cosmopolitan University grants an **Honorary Doctoral Degree
to distinguished individuals who apply and qualify.**

Details at <http://www.cosmoedu.net/hcproject.html>

Common Mistakes Men Make While Having Sex

1) NOT KISSING FIRST

Avoiding her lips and diving straight for the erogenous zones makes her feel like you're paying by the hour and trying to get your money's worth by cutting out nonessentials. A proper passionate kiss is the Ultimate form of foreplay.

2) BLOWING TOO HARD IN HER EAR

Admit it, some kid at school told you girls love this. Well, there's a difference between being erotic and blowing as if you're trying to extinguish the candles on your 50th birthday cake. That hurts.

3) NOT SHAVING

You often forget you have a porcupine strapped to your chin which you rake repeatedly across your partner's face and thighs. When she turns her head from side to side, it's not passion, it's avoidance.

4) SQUEEZING HER BREAST

Most men act like a housewife testing a melon for ripeness when they get their hand on a pair. Stroke, caress, and smooth them.

5) BITING HER NIPPLES

Why do men fasten onto a woman's nipples, then! clamp down like they're trying to deflate her body via her breasts? Nipples are highly sensitive. They can't stand up to chewing. Lick and suck them gently. Flicking your tongue across them is good. Pretending they're a dogie toy isn't.

6) TWIDDLING HER NIPPLES

Stop doing that thing where you twiddle the nipples between finger and thumb like you're trying to find a radio station in a hilly area. Focus on the whole breasts, not just the exclamation points.

7) IGNORING THE OTHER PARTS OF HER BODY

A woman is not a highway with just three turnoffs: Breast-ville East and West, and the Midtown Tunnel. There are vast areas of her body which you've ignored far too often as you go bombing straight into downtown Vagina. So start paying them some attention.

cool.gif GETTING THE HAND TRAPPED

Poor manual dexterity in the underskirt region can result in tangled fingers and underpants. If you're going to be that aggressive, just ask her! to take the damn things off.

9) LEAVING HER A LITTLE PRESENT

Condom disposal is the man's responsibility. You wore it, you store it.

10) ATTACKING THE CLITORIS

Direct pressure is very unpleasant, so gently rotate your fingers

along side of the clitoris.

11) STOPPING FOR A BREAK

Women, unlike men, don't pick up where they left off. If you stop, they plummet back to square one very fast. If you can tell she's not there, keep going at all costs, numb jaw or not.

12) UNDESSING HER AWKWARDLY

Women hate looking stupid, but stupid she will look when naked at the waist with a sweater stuck over her head. Unwrap her like an elegant present, not a kid's toy.

13) GIVING HER A WEDGIE DURING FOREPLAY

Stroking her gently through her panties can be very sexy. Pulling the material up between her thighs and yanking it back and forth is not.

14) BEING OBSESSED WITH THE VAGINA

Although most men can find the clitoris without ma! ps, they still believe that the vagina is where it's all at. No sooner is your hand down there than you're trying to stuff stolen banknotes up a chimney. This is OK in principle, but if you're not careful, it can hurt - so don't get carried away. It's best to pay more attention to her clitoris and the exterior of her vagina at first, then gently slip a finger inside her and see if she likes it.

15) MASSAGING TOO ROUGHLY

You're attempting to give her a sensual, relaxing massage to get her in the mood. Hands and fingertips are OK; elbows and knees are not.

16) UNDESSING PREMATURELY

Don't force the issue by stripping before she's at least made some move toward getting your stuff off, even if it's just undoing a couple of buttons.

17) TAKING YOUR PANTS OFF FIRST

A man in socks and underpants is a at his worst. Lose the socks first.

18) GOING TOO FAST

When you get to the penis-in-vagina situation, the worst thing you can do is pump away like an industrial power tool -she'll soon feel like an assembly-line worker made obsolete by your technology. Build up slowly, with clean, straight, regular thrusts.

19) GOING TOO HARD

If you bash your great triangular hip bones into her thigh or stomach, the pain is equal to two weeks of horseback riding concentrated into a few seconds.

20) COMING TOO SOON

Every man's fear. With reason. If you shoot before you see the whites of her eyes, make sure you have a backup plan to ensure her pleasure too.

21) NOT COMING SOON ENOUGH

It may appear to you that humping for an hour without

climaxing is the mark of a Sexxxx god, but to her it's more likely the mark of a numb vagina. At least buy some intriguing wall hangings, so she has something to hold her interest while you're playing Marathon Man.

22) ASKING IF SHE HAS COME

You really ought to be able to tell. Most women make noise. But if you really! y don't know, don't ask

23) PERFORMING ORAL Sexxxx TOO GENTLY

Don't act like a giant cat at a saucer of milk. Get your whole mouth down there, and concentrate on gently rotating or flicking your tongue on her clitoris.

24) NUDGING HER HEAD DOWN

Men persist in doing this until she's eyeball-to-penis, hoping that it will lead very swiftly to mouth-to-penis. All women hate this. It's about three steps from being dragged to a cave by their hair. If you want her to use her mouth, use yours; try talking seductively to her.

25) NOT WARNING HER BEFORE YOU CLIMAX

Sperm tastes like sea water mixed with egg white. Not everybody likes it. When she's performing oral Sexxxx, warn her before you come so she can do what's necessary.

26) MOVING AROUND DURING FELLATIO

Don't thrust. She'll do all the moving during fellatio. You just lie there. And don't grab her head.

27) TAKING ETIQUETTE ADVICE FROM PORN MOVIES

In X-rated movies, women ! seem to love it when men ejaculate over them. In real life, it just means more laundry to do.

28) MAKING HER RIDE ON TOP FOR AGES

Asking her to be on top is fine. Lying there grunting while she does all the hard work is not. Caress her gently, so that she doesn't feel quite so much like the captain of a schooner. And let her have a rest.

29) ATTEMPTING ANAL Sexxxx & PRETENDING IT WAS AN ACCIDENT

This is how men earn a reputation for not being able to follow directions. If you want to put it there, ask her first. And don't think that being drunk is an excuse.

30) TAKING PICTURES

When a man says, "Can I take a photo of you?" she'll hear the words"__to show my buddies." At least let her have custody of them.

31) NOT BEING IMAGINATIVE ENOUGH

Imagination is anything from drawing patterns on her back to pouring honey on her and licking it off. Fruit, vegetables, ice and feathers are all handy props; hot candle wax and ! permanent dye are a no no.

32) SLAPPING YOUR STOMACH AGAINST HERS

There is no less erotic noise. It's as sexy as a belching contest.

33) ARRANGING HER IN STUPID POSES

If she wants to do advanced yoga in bed, fine, but unless she's a Romanian gymnast, don't get too ambitious. Ask yourself if you want a sexual partner with snapped hamstrings.

34) LOOKING FOR HER PROSTATE

Read this carefully: Anal stimulation feels good for men because they have a prostate. Women don't.

35) GIVING LOVE BITES

It is highly erotic to exert some gentle suction on the sides of the neck, if you do it carefully. No woman wants to have to wear turtlenecks and jaunty scarves for weeks on end.

36) BARKING INSTRUCTIONS

Don't shout encouragement like a coach with a megaphone. It's not a big turn-on.

37) TALKING DIRTY

It makes you sound like a lonely magazine editor calling a 1-900 line. If she likes nasty talk, she'll let you know

38) ! NOT CARING WHETHER SHE COMES

You have to finish the job. Keep on trying until you get it right, and she might even do the same for you.

39) SQUASHING HER

Men generally weigh more than women, so if you lie on her a bit too heavily, she will turn blue.

40) THANKING HER

Never thank a woman for having Sexxxx with you. Your bedroom is not a soup kitchen.

Achievers

Our list of honorary doctors keeps growing. It is a list of a very illustrious club of successful and distinguished members of our society - worldwide. Among them recipients like the former

German president Johannes Rau -

Mandela, Nelson Rolihlahla, former president of South Africa, **winner of the 1993 Nobel Prize in peace** -

Ingenious minds like **Walter Krohn** who invented The Krohn Mechanical Mine Clearance System -

and many other high ranking renowned achievers from all walks of life and many countries, such as

Dr. T.J. Hawkeswood, from New South Wales, Australia, **one of the greatest entomologists of all time**, if not THE greatest, who has written over 270 scientific papers and other articles in biological and natural history journals. His knowledge of all insect and plant life is legendary -

And **Harrell, David B., B.Sc.**, an innovation research director, USA, a

Honorary Doctor Program

Cosmopolitan University grants an Honorary Doctoral Degree to distinguished individuals who apply and qualify by meeting our standards.

Michael Jackson has one, **Frank Sinatra**, **Ella Fitzgerald**, **Bob Hope**, **Robert Redford**, **Bill Clinton**, **George Bush** and so on.

Sad enough one has to be either rich or famous or both to attract the offer of a university.

More than one thousand traditional universities

successful sleep medicine researcher -

Reinaldo Irizarry, Sr. MBA. DPA, USA, a veteran of the Vietnam war with twenty one years of experience in local law enforcement, and five years of experience in federal law enforcement -

Pfarr, Roland Klaus Paul, entrepreneur. Pfarr Stanztechnik GmbH, developed and **patented a lead-free solder as an alternative for tin-silver-copper** which is used in the electronics and (foremost) automobile industry -

Among our honorees are also **His Holiness Tenzin Gyatso, the 14th Dalai Lama**, winner of the 1989 **Nobel Prize in peace** -

Dr. Stephen Seely, United Kingdom , an elected member of the New York Academy of Sciences who was a research fellow at the cardiology department of Manchester university 1983 – 1993. He appears in the **Guinness Book of Records** as **the longest serving scientific writer**, with the earliest written article published in a German psychological journal in 1934 -

Dr. Udo Doebbeling, a Swiss senior scientist who has a vast **experience of over 15 years in molecular biology research** -

Stephan Augustin, Germany, inventor of the watercone™, providing an inexpensive way to swiftly **make contaminated or seawater drinkable-**

Dr. Wolfram Loch, a German engineer and **the first person in the world** who photographically documented the development of a blizzard in a laboratory, 1963 -

Dr. Thomas Paikeday, Canada, full-time accomplished lexicographer of American and Canadian English

award honorary doctorates. But the standards and the donations they expect are ridiculously high.

What we are doing at Cosmopolitan puts into perspective somewhat, the whole aspect of the real purpose of honorary degrees. In fact, in our process we actually are recognizing people for their societal accomplishments rather than for the typical recognition of a monetary relationship or as a publicity stunt.

Cosmopolitan University now grants an honorary doctoral degree too. We feel that lots of distinguished people deserve an honorary degree, not just the rich and

Ceremonies

A commencement ceremony took place in India in January 2004 at which honorary doctor diplomas from CU were conferred. See pictures [here](#).

Ceremony in Germany, Sept. 2nd, 2004

famous.

The owner of an honorary doctorate is given the legal right to use "Doctor" before his or her name, it carries the same title "Doctor" that's used for a regular degree.

Your honorary degree will stem from a legitimate, renowned and thriving university. Cosmopolitan University uses this program to raise funds for some of its research projects. (through a reasonable **handling fee** that applies) The university maintains a complete and permanent record on each honorary doctor and responds promptly to requests for validation when authorized by the recipient.

Ceremony, Germany, June 2006 :

Prof. Dr. Pongracz, former Consul General, (left) hands over the honorary doctoral award to Dr. Michael Carsch at a commencement ceremony in Germany which was attended by many invited guests including representatives of the city of Bremen and the local bar association.

Your name will also be published on the CU's list of recipients of honorary degrees. (optional, it is up to you to be published or you choose NOT to appear on that list)

How to apply

TO APPLY just send us an **email**.

We will email you all the details right away.

Act TODAY. This offer will not last forever, in fact it's a once in a lifetime opportunity to boost your social status.

© by Cosmopolitan Education Network, Inc. All Rights Reserved. Worldwide. The information you receive online from Cosmopolitan University is protected by the copyright laws of the United States. All rights reserved. 2006

***** There is a reasonable handling fee to be paid. (AFTER you have been approved and decide to proceed - the evaluation of your resume is free and non-binding.) That one time fee covers shipping, processing and handling of your documentation, the rest goes into the funding of CU's research projects. There are NO additional costs. [Click here](#) to ask for the current fee and methods of payment via email... you will get a quick response.**
